Subj: Request for information regarding Coakley Landfill in North Hampton, N.H.

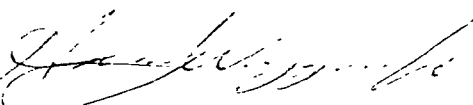

Crystal Well Drilling Company was located in the city of Rochester, N.H. The mailing address was 220 Blackwater Rd. Dover, N.H., this address is also my residence.

The information rerequested is not warranted because this company, when it was in existence never requested or recieved a permit to use the Coakley site.

The well drilling company was in operation for three years during which time their were no hazardous waste generated. Actual waste for this time period consisted of paper and cardboard (approx 25lbs per year) which were disposed of by burning in my residential wood furnace.

If I can be of further assistance please call at (603) 742-2456

Sincerely yours

Harry Wiggin Jr.
